

## The Experts in Authorised Juniper Networks Training

Global Knowledge, the worldwide leader in IT training now offers Authorised Juniper Networks® training, to our global market. With our broad and deep experience delivering high-quality training solutions, we've packaged an intelligent, highly relevant portfolio of Juniper training to meet the needs of our customers.

Our unique certification Boot Camps and Skills Camps include hands-on labs featuring the latest Juniper equipment in real-world situations to prepare you for actual networking environments.

### Two Learning Paths to Proficiency

Whether you need to earn a Juniper Networks certification or want to hone your Junos OS skills, our courses and expert instruction have you covered.

When certification is your goal, our exclusive and information-packed certification Boot Camps are the way to go. Achieve your JNCIA-Junos foundation certification as well as specialist-level (JNCIS) and professional-level (JNCIP) certifications in enterprise routing and switching and security.

To build and strengthen your skills in Juniper routing, switching, and security, we've developed an exclusive offering of skills that are packaged to maximise your learning experience.

### Redeem Your Juniper Networks Training Credits

Juniper Networks Training Credits are a convenient and efficient way to purchase and manage your training requirements. Each Training Credit (JTC) is redeemable for \$100 of Authorised Juniper training from Global Knowledge.

### Flexible Learning Solutions

As an official Juniper Networks Authorised Education Partner (JNAEP), we deliver Juniper training using only Juniper Networks Certified Instructors (JNCIs) and Juniper Networks-developed courseware. Our experienced staff and program managers can mix and match from a complete library of Authorised Juniper courses to build a tailored, on-site learning solution that's right for your entire team or organization.

### Exclusive Certification Boot Camps

**JNCIA-Junos Boot Camp:** Accelerated Boot Camp prepares you to operate Juniper-based networks and pass the JNCIA-Junos exam.

**JNCIS-ENT Boot Camp:** Accelerated Boot Camp prepares you for JNCIS-ENT exam and provides experience configuring and monitoring Junos OS devices.

**JNCIS-SEC Boot Camp:** Accelerated Boot Camp prepares you for the JNCIS-SEC exam and provides experience configuring and monitoring SRX Series devices.

### Exclusive Skills Camps
